Great Texas Warrant Round Up begins Saturday, March 6

Time is running out for defendants to voluntarily dispose of their warrants before arrests begin on Saturday, March 6, 2010 in the Great Texas Warrant Round Up.

Individuals with outstanding warrants are subject to arrest at any time and location, including their home, work or in public. To avoid the inconvenience and embarrassment of arrest, defendants have less than two days to make payments and dispose of their cases voluntarily.

Cash, check, money order, or credit card (MasterCard, Visa and Discover) payments are accepted online at trafficpayment.com or by calling 800.444.1187 or 888.444.1187. Or, defendants can appear in person at Odessa Municipal Court, 201 North Grant, until 5:30 p.m. today or between 8 am and 5 pm on Friday, March 5, 2010.

Defendants can save some money by paying between now and Friday, March 5. All warrant fee(s) will be waived only if the total amount due is paid in full before Friday, March 5.

Warrants will remain in effect until payment is received and posted by Municipal Court.

The warrants are a result of an individual's failure to appear in person or in writing at the Odessa Municipal Court or failure to comply with a court order. Other types of citations that are handled through the Odessa Municipal Court, and that could be part of the roundup, include parking tickets, code enforcement violations, failure to sterilize a pet adopted from the Odessa Animal Shelter, and other violations of the Odessa Municipal code or state law.

Anyone unsure if they have a warrant is encouraged to log on to the City of Odessa's website, odessa-tx.gov, for a complete list of individuals with warrants.
