Sec. 1-13-20 Use of inflatable play equipment in city parks

(a) Definitions.

Inflatable play equipment. Any soft bouncing unit or inflatable screen, constructed out of heavy duty vinyl which is laid out like a tent on the ground and formed into a soft bouncing area with walls when filled with a continuous air flow.

Inflatable play equipment rental company. Any company or business who, for a fee, shall offer the use of inflatable play equipment to any individual, group or organization for amusement purposes, including, but not limited to, enjoyment for children at private parties.

Park. Any city-owned park, open space or recreational area, including, but not limited to those parks listed in [section 1-13-53](#).

(b) Restriction on use of inflatable play equipment in parks.

- (1) Inflatable play equipment shall only be allowed within authorized park areas designated by the director of parks and recreation.
- (2) Inflatable play equipment shall be hand carried or hand trucked into and out of park property. In no event shall the use of motor vehicles be permitted for the set up of inflatable play equipment in violation of this code.
- (3) Inflatable play equipment with water slides or water features is hereby prohibited on any park property.
- (4) Users of inflatable play equipment must provide their own power source for the inflatable play equipment.
- (5) All inflatable play equipment deemed unsafe by the director of parks and recreation or his authorized representative shall be immediately removed from park property or relocated as directed by the city.

(c) Inflatable play equipment rental company registration.

- (1) All inflatable play equipment rental companies shall register with the city parks and recreation department prior to providing for the use of inflatable play equipment on park property and provide a copy of the annual inspection certificate obtained from the Texas Department of Insurance.
- (2) All inflatable play equipment rental companies shall carry a minimum of \$1,000,000 bodily injury insurance and \$500,000 property damage per occurrence. The city shall be named as an additional insured and the policy shall contain an endorsement with a waiver of subrogation in favor of the city. A copy of the insurance policy/certificate shall be provided to the city.
