ATTORNEY GENERAL OF TEXAS

February 14, 2020

Mr. Robert Carroll
Senior Assistant City Attorney
City of Odessa
P.O. Box 4398
Odessa, Texas 79760-4398

OR2020-04771

Dear Mr. Carroll:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 812204 (ORR# P001783).

The City of Odessa (the "city") received a request for information related to a specified arrest of a named individual.¹ The city states it is releasing some of the requested information. The city claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions the city claims and reviewed the submitted information.

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). Further, pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which

¹ As the city has not submitted a copy of the request for information, we take our description from the city's brief.

parts of the documents. *See id.* § 552.301(e). The city informs us it received the request for information on November 18, 2019. We assume the city was closed on November 28, 2019, and November 29, 2019. The city does not inform us it was closed for any additional business days between November 18, 2019, and December 11, 2019. Accordingly, the city was required to provide the information required by section 552.301(b) by December 4, 2019. Moreover, the city was required to provide the information required by section 552.301(e) by December 11, 2019. However, the envelope in which the city provided the information required by section 552.301(b) was postmarked December 5, 2019. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Further, as of the date of this letter, the city has not submitted to this office a copy of the written request for information. Accordingly, we conclude the city failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). The city claims sections 552.101 and 552.108 of the Government Code for the submitted information. Because section 552.101 in conjunction with common-law privacy can provide a compelling reason to overcome the presumption of openness, we will address the city's argument under this exception against release of the submitted information. Further, section 552.130 of the Government Code can provide a compelling reason to overcome the presumption of openness.² Therefore, we will address the applicability of section 552.130 to the submitted information. However, we find the city has failed to establish a compelling reason to address its remaining claimed exceptions.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015,

² The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

pet. denied) (mem. op.). Thus, the city must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find the city has not demonstrated any of the remaining information at issue is highly intimate or embarrassing and not of legitimate public concern. Thus, the city may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the city must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must release the remaining information.³
