

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 21, 2020

Mr. Robert Carroll
Senior Assistant City Attorney
City of Odessa
P.O. Box 4398
Odessa, Texas 79760-4398

OR2020-21032

Dear Mr. Carroll:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 841774 (COO Req. ID #R001221-061120).

The City of Odessa (the "city") received a request for a specified 9-1-1 call. The city claims the submitted information is subject to a previous ruling from this office. Additionally, the city claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. Further, the city indicates it notified the Texas Department of Public Safety (the "DPS") of the request and of its opportunity to submit comments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have received comments from DPS. We have considered the submitted arguments and reviewed the submitted information.

The city states the submitted information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2019-33534 (2019). In that ruling, we determined, in relevant part, the city may withhold the information at issue under section 552.108(a)(1) of the Government Code. We have no indication there has been any change in the law, facts, or circumstances on which the previous ruling was based. Accordingly, we conclude the city may rely on Open Records Letter No. 2019-33534 as a previous determination and withhold the submitted information in accordance with that ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from

disclosure). As we are able to make this determination, we need not address the remaining arguments against disclosure of the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Gerald Arismendez
Assistant Attorney General
