PUBLIC HEARING

Open a public hearing to consider approval of water rates. Matt Irvin, Utilities Director, stated that CRMWD increased water charges for operations and maintenance and for the new pipeline. He recommended a 10% water and 10% sewer rate increase. He provided examples of the new charges for residential customers. The rate would be effective in the October billing. Margie Frasier, 2102 Washington, was opposed to the rate increase. She stated that the citizens are penalized and many live with only social security. She recommended that dessert landscaping be used for new homes. Conrad Turner, 3904 Lakeside, was upset that there was no back-up plan if Lake Ivie goes dry. He stated that there was no assurance of rain and decisions should be made if there is no water. Mayor Pro Tem Goates stated that a pipeline was being built to the Ward Well fields, in Monahans, and the size was doubled which would increase the water. With this new source of water, there is 23 years of water. No one else came forward and the public hearing was closed.
