Resolution No. 2010R-25 - Chapter 380 Agreement with Lament 325 Inc. for the development of property located on Highway 191 between Faudree Road and Billy Hext Road. Gino Sola, #41 Cibola Ct., was in favor of the Parks Legado development. It would provide a quality of life, family based entertainment and preferred by young professionals. Collin Sewell, Woodhaven, thanked the Council for their efforts. He stated that Parks Legado would create an environment of a higher quality of life. He stated that for this project to make a reality it needed partnership to continue to make Odessa grow and draw additional sales tax. He would take responsibility if funds were received. The plan for Sewell on 8th St. would be some consolidation but they would expand to Parks Legado. Councilmember Velasquez was concerned about shifting the retail sales. Mr. Sewell stated that the project would create synergy and multi-scales of activity that creates traffic to bring in new retail. Councilmember Goates asked about the scenario of full rebate for new projects and no sales tax rebate for relocation. Mr. Sewell stated that the ultimate new goal is to create new business but if would be an unfair field to the tenants. Mr. Long stated that a 380 agreement was drafted. He highlighted some of the requirements that included 1) it is a mixed use development along Hwy. 191, 2) a minimum of 100 jobs be created, 3) a minimum of $25 million investment, 4) 20 years for the tax rebate, 5) excludes relocations, 6) two other taxing entities must participate and 7) the grant incentive was $7,942,287.
